Return Policy

Although we do our best to match up dogs with prospective adopters, occasionally a placement just doesn't work out. This does not mean there is anything wrong with either the dog or the adoptive home. We want our dogs and their new owners to be happy together. If you feel that the Greyhound you have taken home is not the dog for you, please return it. N.G.A. will accept a returned Greyhound at any point in its life; this is our promise of commitment to our dogs. If, at any time, you find yourself unable to care for your Greyhound, you must return it to Northern Greyhound Adoptions.
